RE: C00326439

Reference: June Monthly Report (5/1/09 - 5/31/09), received 8/19/09

Dear Quy:

House Conservatives Fund is filing this Miscellaneous Electronic Submission (F99) in response to your letter dated August 14, 2009. The amendment provides the information requested regarding our June Monthly Report (5/1/09 - 5/31/09).

The inquiry states, 'Schedule B of your report discloses reimbursements to individuals for "HCF general fundraiser dinner, lodging, golf." We have amended the report to properly disclose the date, amount and purpose of the original purpose using a memo entry that relates directly to the transaction in question. This amended clearly identifies the transactions and thus we believe fulfills HCFs compliance with the request. When filing future reports we will indicate this purpose more clearly.

We sincerely appreciate your assistance and respectfully request that you accept our explanations. Please let me know if you have questions or require additional information.

Sincerely,

Pamela Sederholm
Treasurer
